

How to retire to Spain

YouTube download

Hola!! Thank you so much for watching our video and downloading our FREE content!
Here's your checklist!

1. Residency status

1. What gives you the right to live in Spain, check how you will need to get residency.

We can help with this book, a call to discuss with us here:

2. What money do you have - Check your financial situation with respect to your residency
3. Healthcare - Check your healthcare situation with respect to your residency
4. Timeline, Its important to have a plan!

2. Choosing somewhere to live

1. If you can, regular discovery trips in all seasons.
2. Check the support network around where you would like to live.
3. Where can you afford to live, take what you think you will spend in the first year and double it!
4. Renting or buying, check your best options.

3. Starting a new life

1. Learn the language, (but don't take it too seriously!)
2. Making sure you're fiscally set up correctly
3. Making sure you protect your family with Spanish Wills and a Funeral plan
4. Future proofing, what will you and your place be like in ten years. Be prepared for the ageing process.

Good Luck with your move!
